

2021 Year in Review
Rise-Up ONE UNITED VOICE

Jan 12 - The Lord would say,

"2020 was a trying year, a year of distinction, a year of testing of your faith and endurance, and though I seen your heart, you did well for your cries unto Me did not go unheard and in My timing, in My season, I shall appear and do great and mighty wonders like never seen before. Even in the Heavens you shall see and many shall look at the multiple colors of My wonderous works, for I have much before you. But be at rest daughters, be at rest sons, for My time is not now, continue to Intercede My will into the earth, for I AM the Lord your God, the Creator and My plans are unending, I change not, I change not. **So 2021 Rejoice! Rejoice! Rejoice!** Dance and Worship in My Presence, for here I find Great Delight. I Love you and for your Faithfulness to Obey there shall be Great Restoration".

Thank You Father.
