“RISE-UP and RAISE-UP”

My Intercessors are All over the place gather them together like a bird would gather her chicks into safety. (I seen a large bird, or hen or roaster with wings spread out, fanning as to gather in the little chicks into cover).

I will send you many that are wondering needing to be trained, needing to see their identity, growth daughter, growth daughter. I've assigned you to My young that is coming along, who I'm send, who I'm calling...who will replace you and those like you, who will carry on...Rise-Up and Raise Them Up. Think not that you will look like anyone else or that you will do it like anyone else...you won't be understood always, not even by those with like assignment.

Rise-Up and Raise-Up daughter. There shall be resistance even by those I've sent, but My young need you, what I've given you. (then I heard Holy Spirit say share with other seasoned Intercessors).

You are the Elizabeth's, you are the Forerunners, the Announcer is in your womb - they are the Mary's, they carry the New Life, and Deliverance to the Nations. You're not old, but you carry the ancient of Days, that know the Old, the Now and the Future, My Ways.

In the Days you are entering into ahead, I need My Midwives, those I call Midwives, for it shall be as I've told you, to birth forth and deliver well, Rise-Up and Raise-Up! Rise-Up and Raise-Up!! I will send them to you, the Mary's that carry in their womb, that need you that carry the way in your womb, they will come unknowing, speak and release what I tell you and you will see the manifestation. Rise-Up and Raise-Up! Rise-Up and Raise-Up!! Hear and Obey Daughter, I Love You!
